Your America And War

(Continued from page 1) from civil life. Our participa ment and it is estimated that tion in the war lasted 1 there were 4,214,000 rounds of months. Haif a milion men ammunition fired during the were sent overseas in the first forty seven days. America 13 months, and a million and a used 840 airplanes in the battle; half in the last six months dropped 100 tons of explosives from planes on the enemy lines; used 324 tanks; penetrated that of them landed in England thirty four miles of the enemy line; took 1,550 square kilomet ers of territory; liberated 150 Leviathan, which landed 12,000 villages and towns; captured men or the equivalent of the 16,059 prisoners; captured 468 German division in France pieces of artillery; captured 2,- every month. One fourth of 864 machine guns and 177 all the troops that were sent trench mortars and lost 120,000 overseas were assigned to the of the 1,200,000 troops engaged Service of Supply. as casualties. This achieve The American Army was ment by the army that today said to have been the best is the greatest educational in equipped army on the front stitution in the world, the army The average American soldier that offers the greatest future in France wore cut a slicker to the young men of this and overcoat every five months; country that has ever been a blanket, flannel shirt, and

During the entire war, the shoes and puttees every 51 days; total armed forces of Your a pair ot drawers and an under America, including army, shirt every 34 days; and a pair navy, marine corps, etc, was of woolen socks 23 days. 4,800,000 Of this number 4, In 1912 the American Army States Army; 2,086,000 going every infantry regiment. In overseas and 1,390,000 of them 1919, when we were at the had the honor of fighting in heighth of our power, the allot France. The sending of such ment is 336 machine guns per a vast number of men so far regiment. away in such a short time was American plants produce the greatest accomplishment a greater number of complete of any nation. The greatest units of artillery than all those number sent across in one purchased from the French and month was 306,000 and the British during the war. In the greatest number to be brought first twenty months however back in one month was 333,000 after the declaration of war by America shipped to France 7, each nation, Great Britian pro-500,000 tons of supplies during duced more artillery than the the war, and in order to ac United States, but the United complish all of the above 24,- States excelled the British re 234,021 of her sons registered cord in the production of heavy

in the draft, of which number artillery and light and heavy 2,810,296 of them were induct-ammunition. The American 2,810,296 of them were induction. The American Armies had in France 3,500 that has accomplished as much as this firm has—your army? Officers also had to be made pieces of artillery, of which ing and 80,468 young men arming and 80,468 young men graduated from the Line gr Officers Training Schools and 130 were made in America. does the United States Army? day the armistice was signed? us independent of Europe in were commissioned in the American aviators used 2,690 Ask the Sergeant at Richmond, Your America to April 30,1919, was \$21,850,000,000 of which amount \$13,930,000,000 was the battle front, of which amount \$13,930,000,000 was the battle front, of which amount \$13,930,000,000 was amount \$13,9 amount \$13,930,000,000 was tors brought down 755 enemy spent by the army. The American troops during the war fought thirteen battles, in the war, were engaged two hundred days; lost 50,000 men by death; 236,000 wounded; 56,
991 died of disease making the loss brought down 755 enemy thinks of the future in the army the future in the army. The man who is in is the man to tell you how he likes it. These men are men who have made the army their life work, and two out of every three of the American soldiers who reached France took part in some battle.

The man who is in is the man to tell you how he likes it. These men are men who have made the army their life work, and they are all over the state. Look them up and get the lat est dope on how to work for this firm.

2,000; making the total number our artillery fired more than of battle deaths during the greatest war ever known 7, 450,200.

It took three years for the tion that now is replacing those English armies in France to reach a strength of 2,000,000, but Your America did it in one half of that time. Out of every 100 men who served in the war, 10 were National Chardsman. 13 more angular which in itself is the greatest army in the world. Guardsmen, 13 were regulars which in itself is the greatest and 77 were in the National Army. Out of all men who world. In the Army of Your served in the army and passed America, you learn while you the physical examinations, the earn. The army pays you a states of the Middle West made salary, furnishes you with the best showing. The boys clothes, food, lodging, medical from the country as a rule did attention, etc., and in addition better than those from the city, gives you an education equal while the white men stood to none along many lines, so better than the colored and that when you are ready to go native born men naturally bet-ter than foreign born. In this armed with knowledge that no war Your America raised twice man can take away from you.

f you want to know what rare and unusual enjoyment Camels provide smoke them in comparison with any cigarette in the world at any price! CAMELS are a cigarette revelation any way you consider them! Take quality, or refreshing flavor and fragrance; or, that wonderful mellow-mild-smoothness you never before got in a cigarette smoke! Yet Camels are so full-bodied and so full-ofsatisfaction you marvel that so much delight could be put into a cigarette! that the value is in Camels expert blend of choice Turkish and choice Domestic tobaccos makes them not expect premium

or coupons!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office

so irresistibly appetizing! And, the blend explains why it is possible for you to smoke Camels liberally without tiring your taste! You will prefer Camels to either kind of tobacco smoked straight!

You'll realize pretty quick, too, that among the many reasons you smoke Camels is their freedom from any unpleasant cigaretty aftertaste or unpleasant cigaretty odor! Once you know Camels you won't take much stock in premiums, coupons or gifts! You'll prefer Camel quality! R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.
